

An abstract artwork by Stéphane Blondeau, featuring a dense composition of overlapping organic shapes, primarily in shades of ochre, tan, and beige. These shapes are set against a dark teal background. Thin, dark, swirling lines crisscross the entire scene, creating a sense of movement and depth. Interspersed among the organic forms are various geometric elements, including stripes of red, white, black, and yellow, and some small, stylized architectural details like a building with a red roof. The overall effect is one of complex, layered visual information.
