Amazone

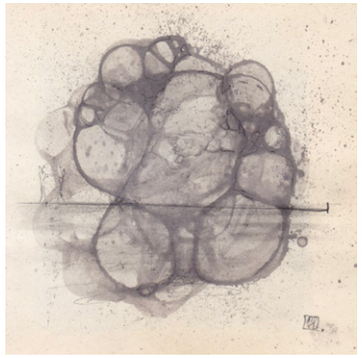

Flottante,
En appuis sur les ombres,
Elle vous rassemble

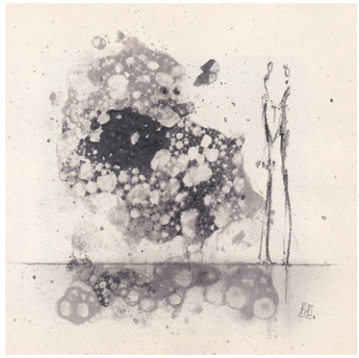

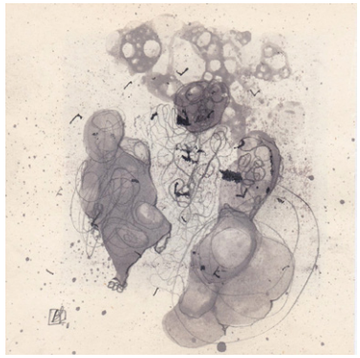

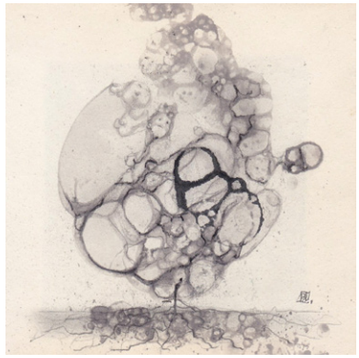

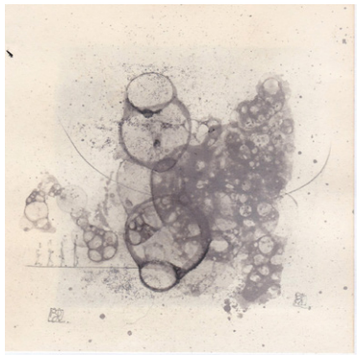

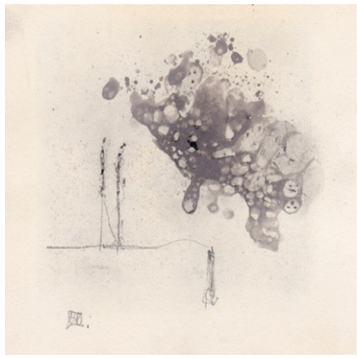

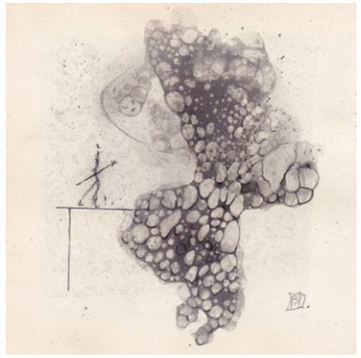

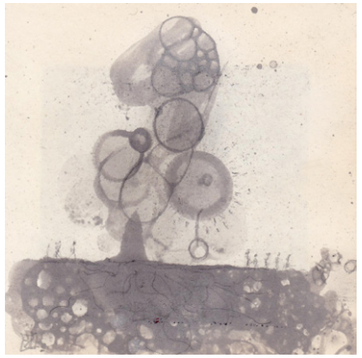

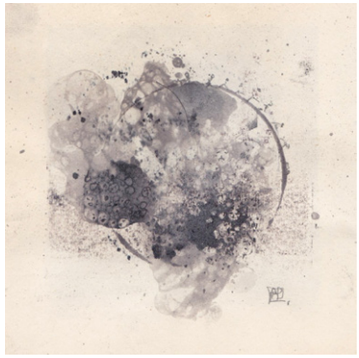

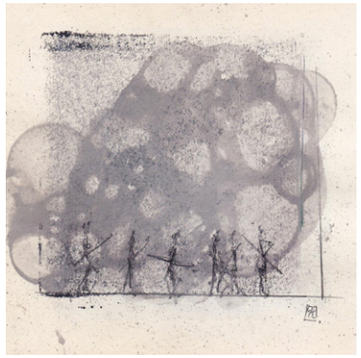

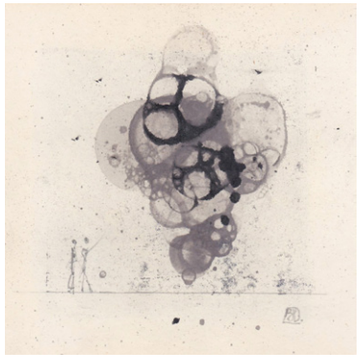

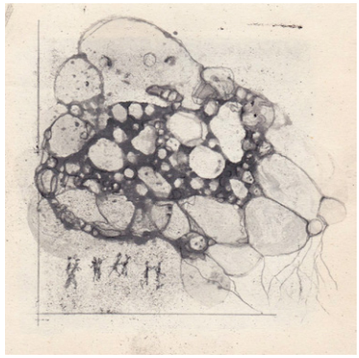

L'isolée (recto)

Petite tribu,
Tu résistes aux mirages,
Sans confiance

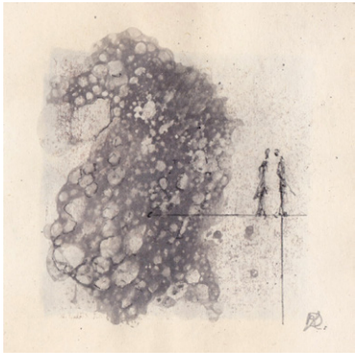

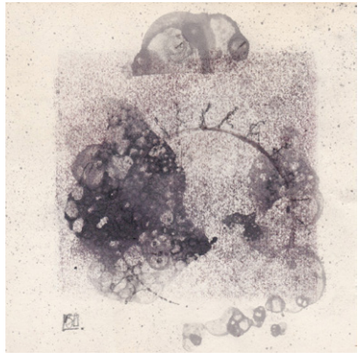

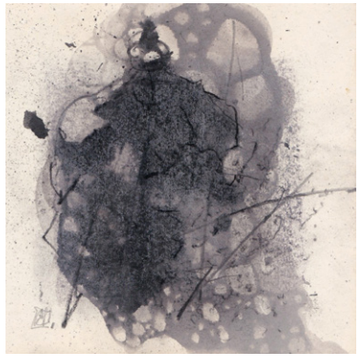

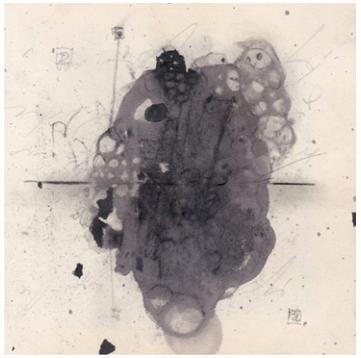

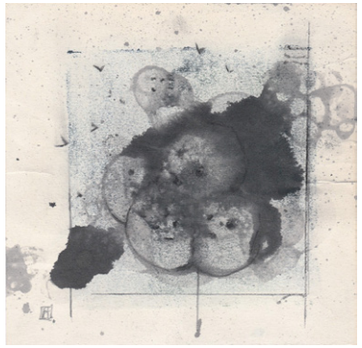

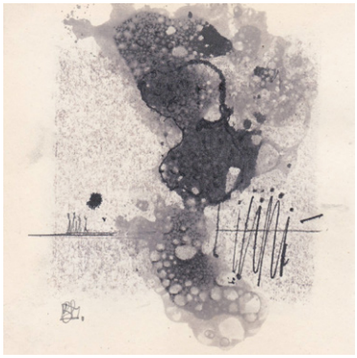

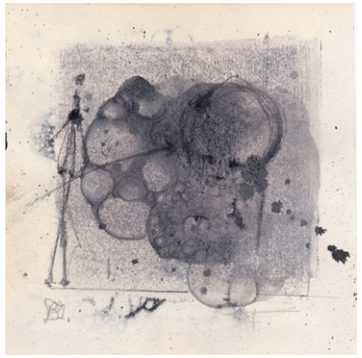

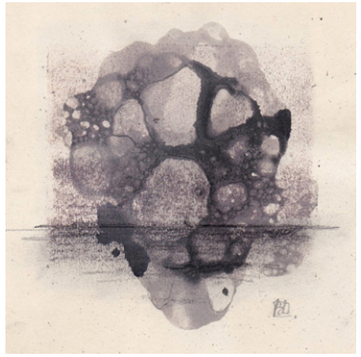

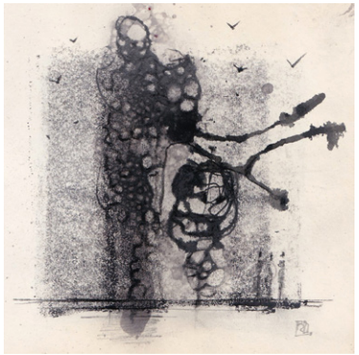

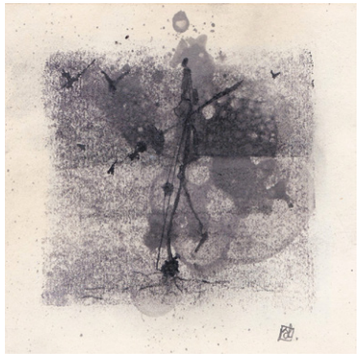

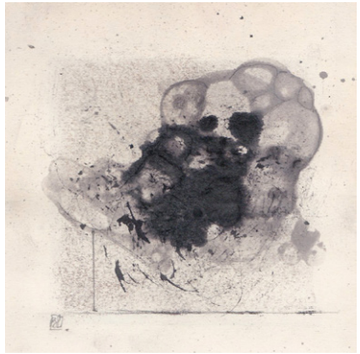

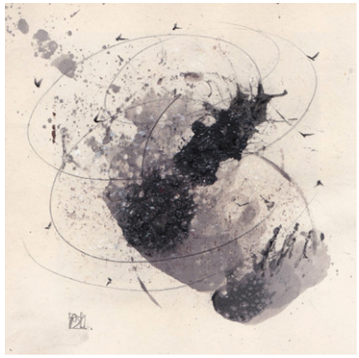

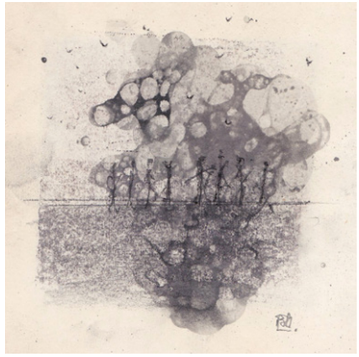

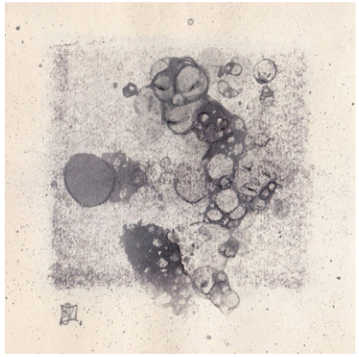

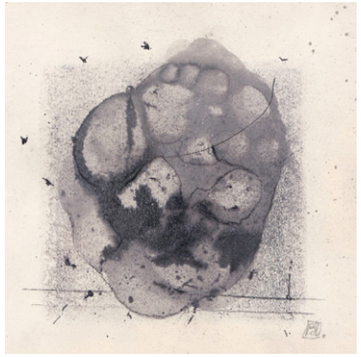

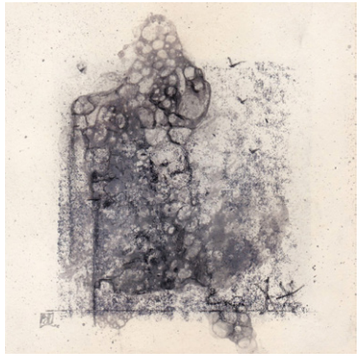

L’isolée (verso)

Petite tribu,
Tu obéies aux sillages,
Sans méfiance

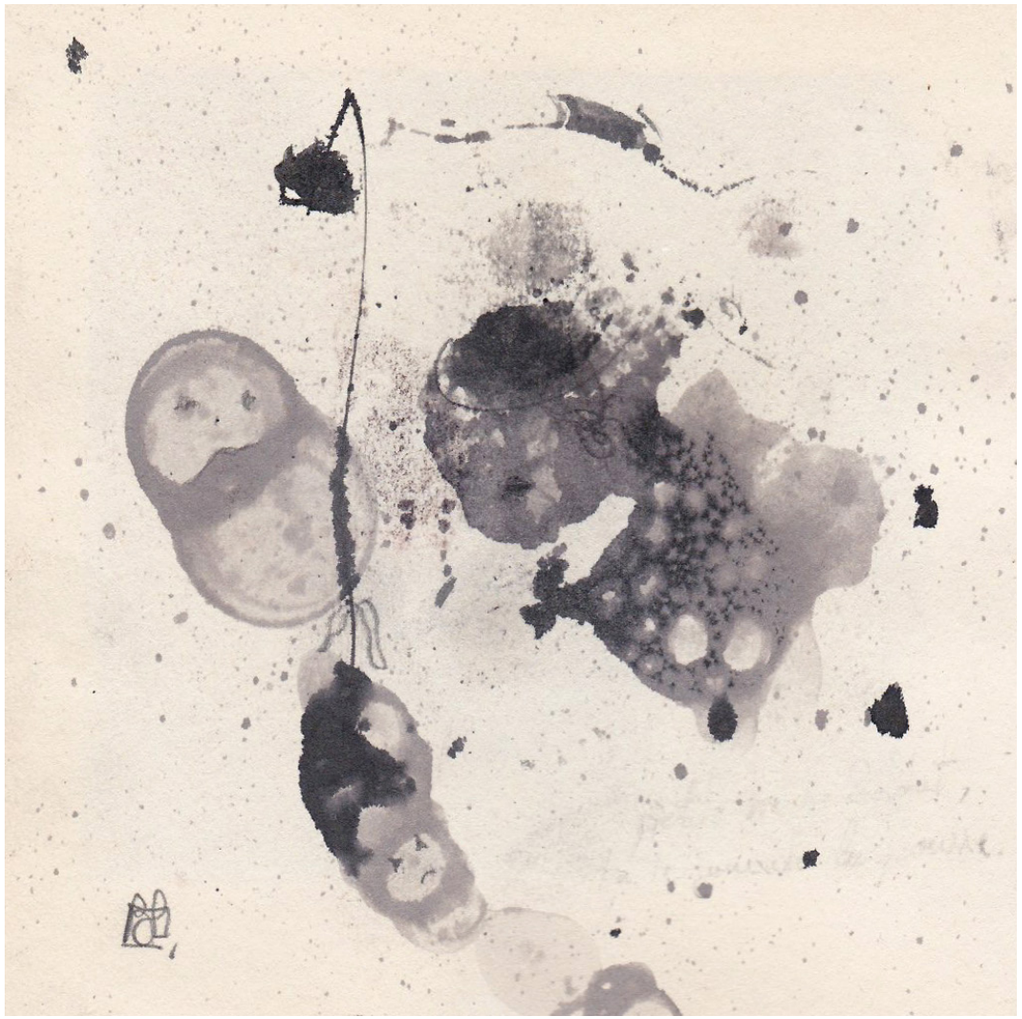

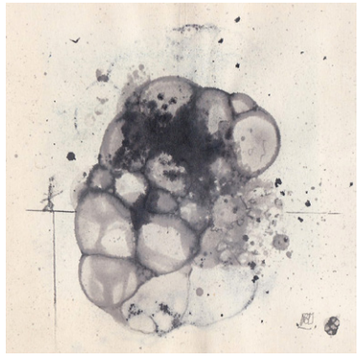

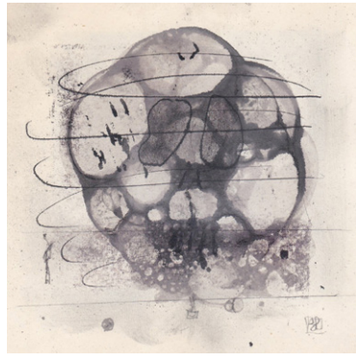

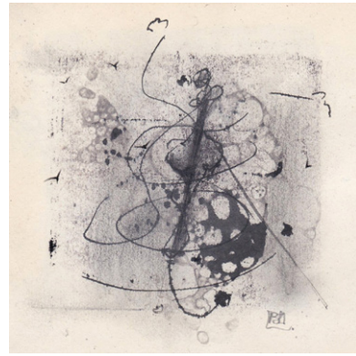

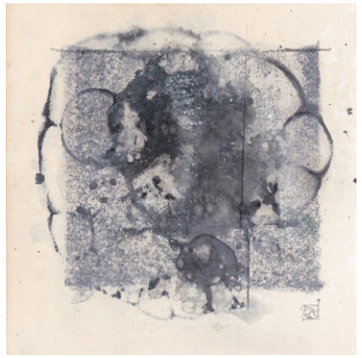

Viola tricolor

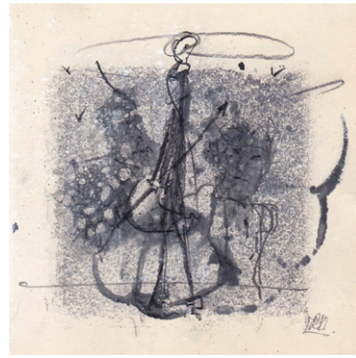

Sans pensées,
Une terre agressée,
Déflorée

Atramentum

Dessiner une idée,
L'éloigner,
L'effleurer

Coorior

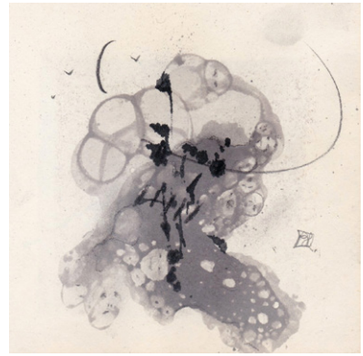

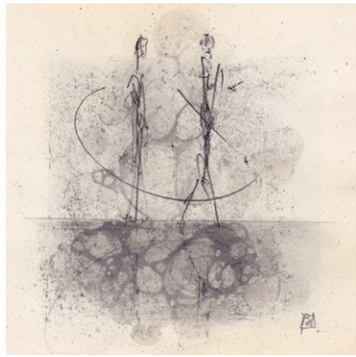

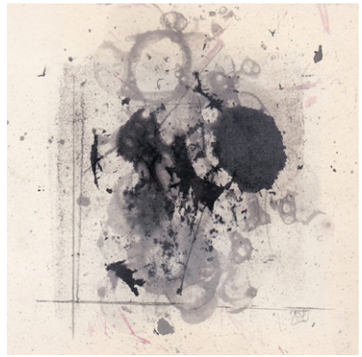

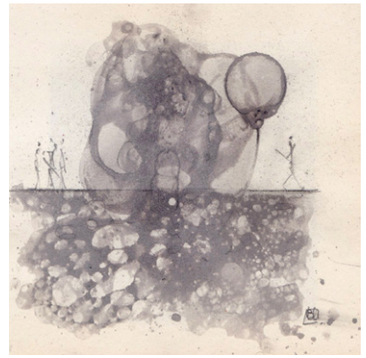

Provoquer,
Un incident improvisé,
Éclaté

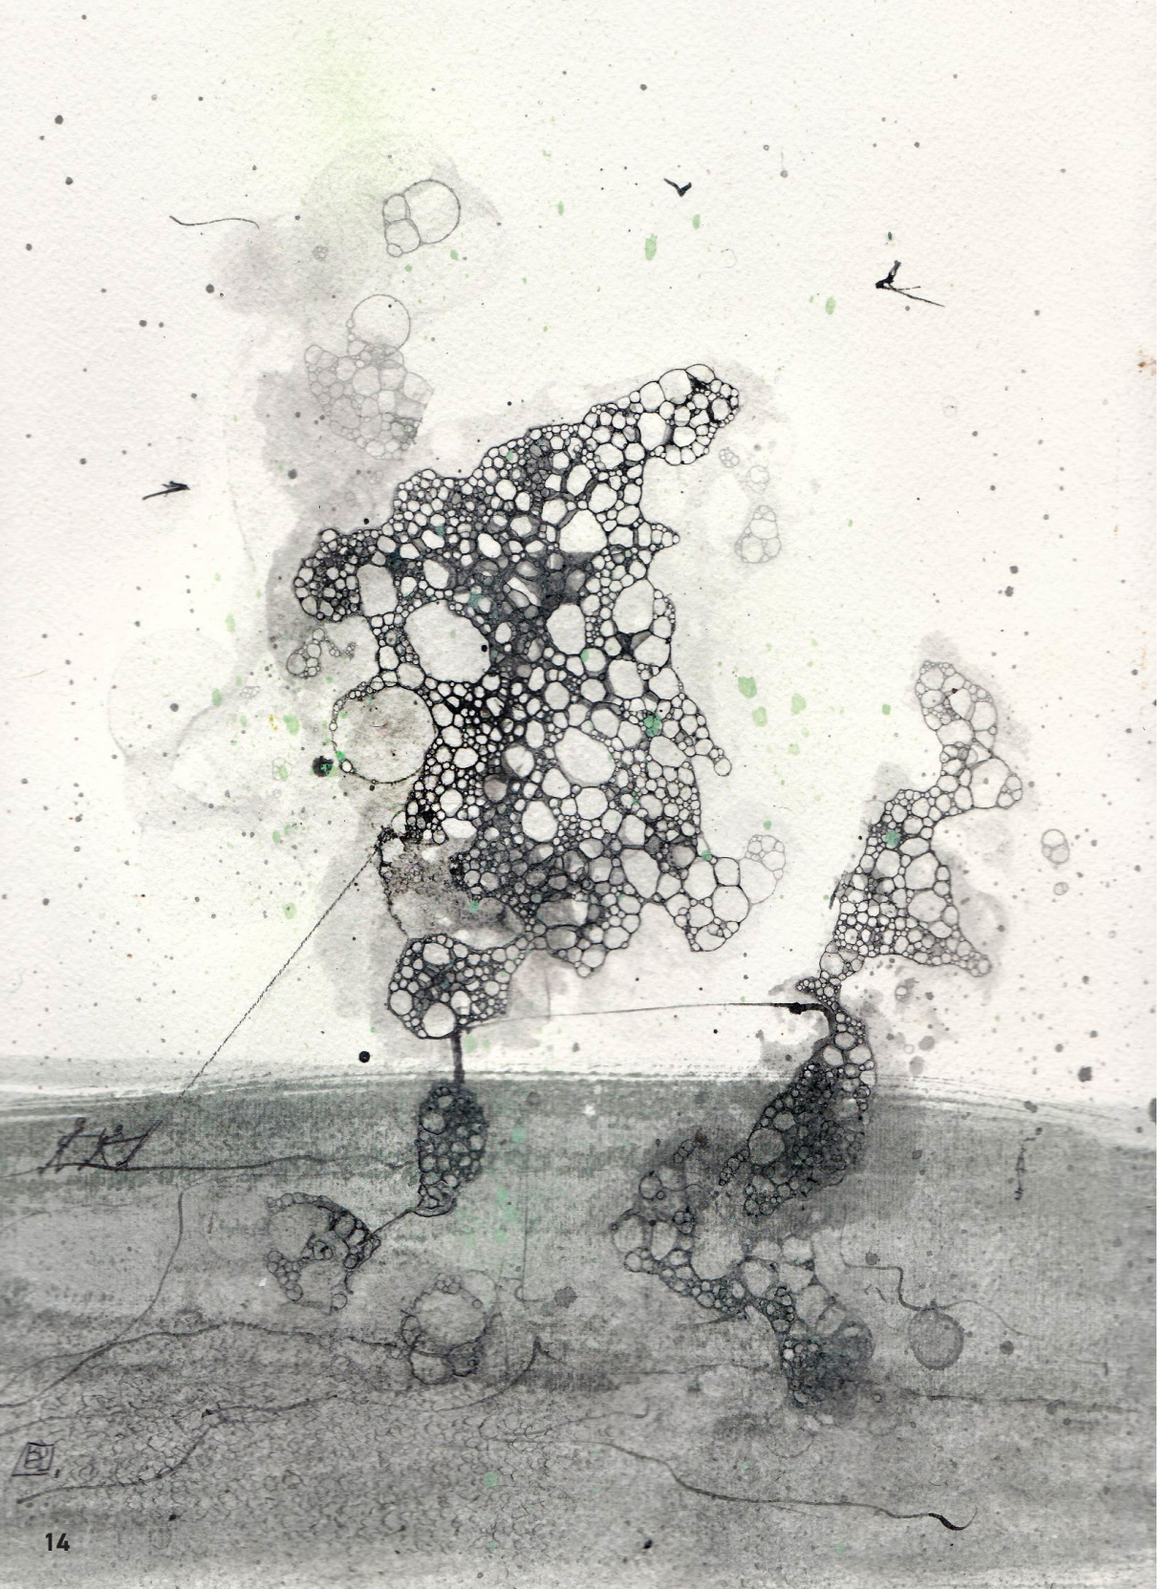

Motus

Tracer une idée,
Agitée,
Éprouvée

Endosome

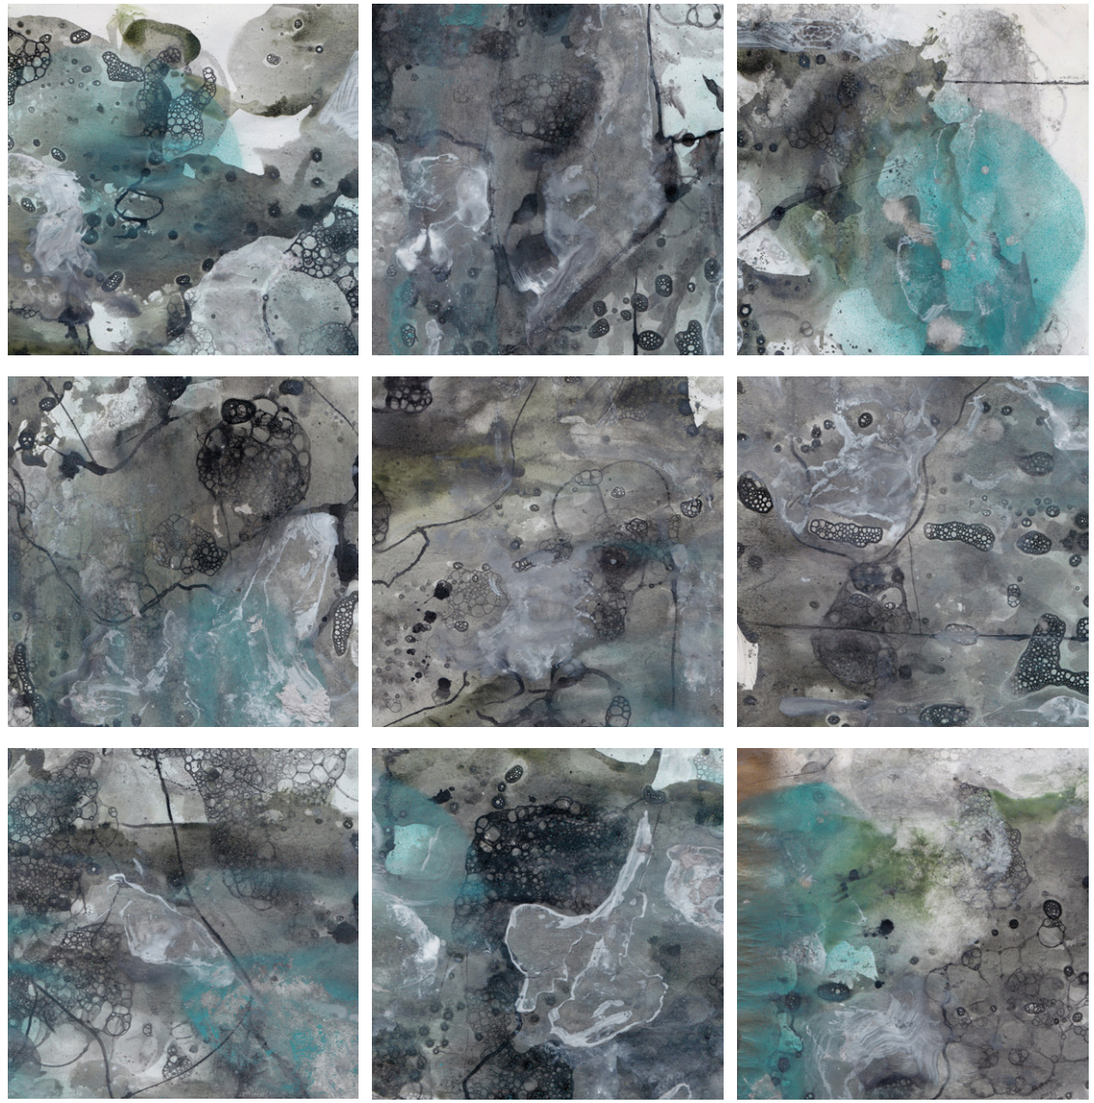

Entre deux mondes,
Invisible créature,
Tu me transportes

Osmotrophe

Sans gênes,
Tu me touches, me bouscules,
Belle écume

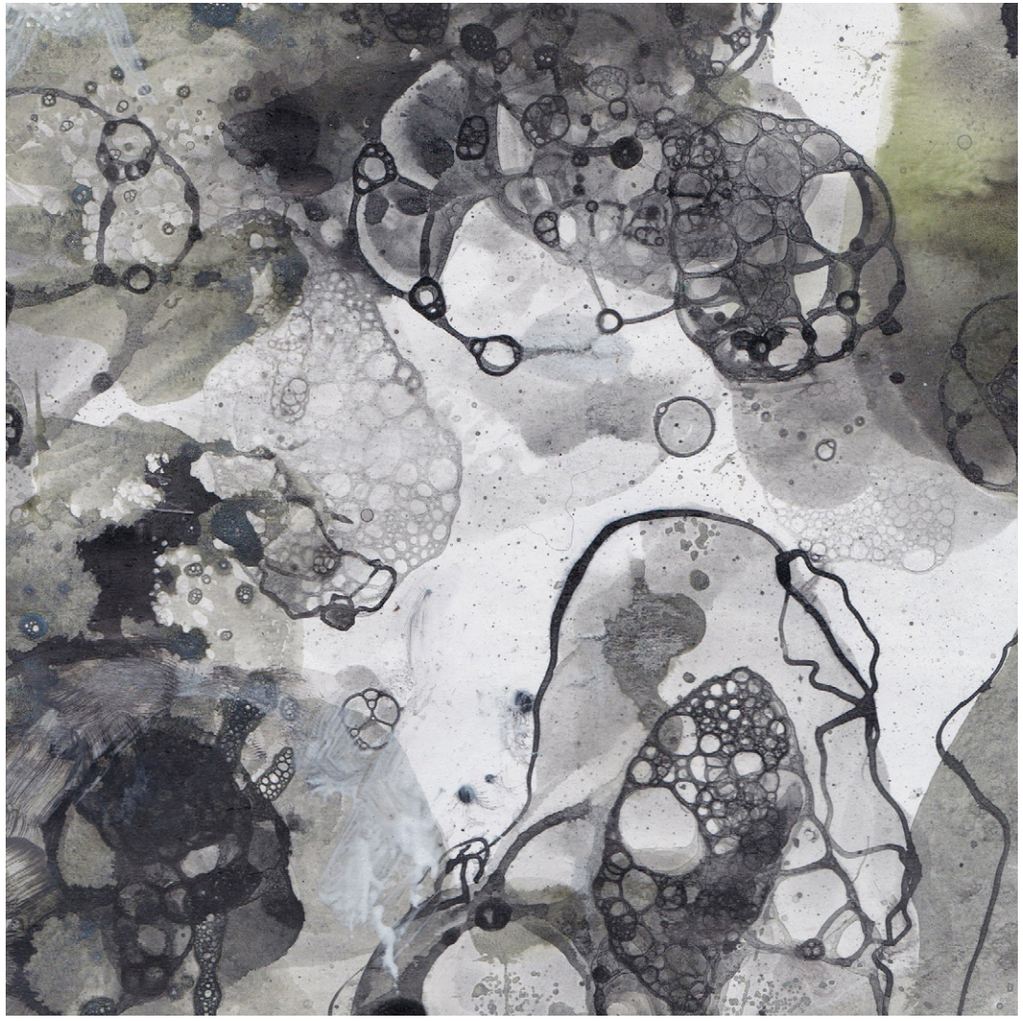

Mitose

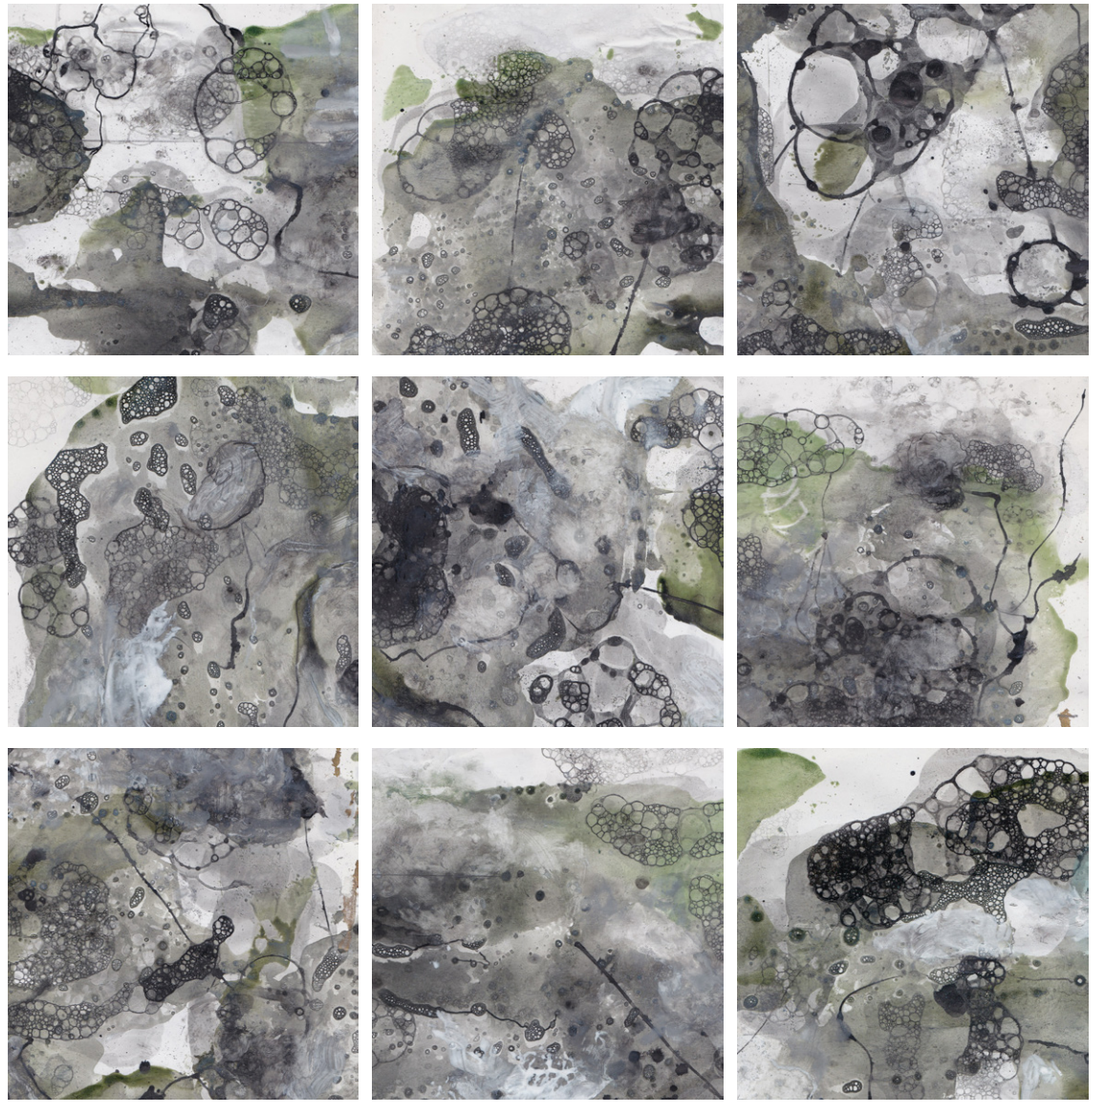

Sans tricher,
Tu m'enjambes, me divises,
À la louche

Absorbot

Au rythme de tes voyages,
Tu me lèches, m'inspires,
Toi, ma juteuse friandise
